VISION

- ♦ To improve the human condition by the advancement of knowledge through excellence and innovation in teaching, research and outreach.
- ♦ We will continue to be responsive to the needs of our society while we also recognize our responsibilities and our commitment to excellent educational standards.
- ♦ To equip our graduates to lead and to promote democratic values and the search for wisdom and understanding in our multicultural, multicultural society.

MISSION

- ♦ We will persistently engage to generate and preserve knowledge, understanding and creativity that benefit students, scholars and communities across the pharmaceutical field.
- ♦ To share that knowledge and creativity, we will provide a broad range of academic activities for learners and teachers that will help them work independently and as a member of a team, plan the work for efficient use of time and resources, identify the cause and solve the problem, and think and evaluate scientifically.

OBJECTIVES

- 1 Students will be able to express their ideas and advance their technical and conceptual expertise through this competition.
- 2 Students will be able to overcome stage excitement, express themselves more creatively, be encouraged to be unique, improve their communication skills, and express their best talents through the Competition. This competition will improve the communication abilities of students during pharmacy practice.
- 3 The competition aims to enhance students' personality and intellectual growth.

ABOUT INSTITUTE

Rajmata Jijau Shikshan Prasarak Mandal was established in 2000 to provide quality education to students from every part of the society. Our target is to produce professional, dynamic and responsible human beings towards society. RJSPM's College of Pharmacy was established in the years 2006 and 2007 respectively, with the aim of imparting quality education in the pharmaceutical field. It was established with the goal of being an outstanding education and research institute of Pharmaceutical science in the country. As an educational institute, we value excellence, innovation, diversity of community, diversity of ideas, integrity, academic freedom, transparency, collaboration and accountability of resources and relationships, sharing knowledge in a learning environment and application of knowledge and discovery to advance the quality of life.
